

Welcome!

Lumbee River Christian College (LRCC) is an Assemblies of God associated college committed to equipping men and women of all ages for ministry in today's world. There are very few places like LRCC where students, regardless of denominational affiliation, are exposed to life changing Biblical theology and its practical applications as they are at LRCC. Our accredited programs offer Associate and Bachelor's degrees in Religious Education (BRE), the latter with majors in Ministerial studies, Christian Education and Missions.

The college was founded in 1968, initially providing Biblical training to individuals called to serve among the Native American communities. What begun as a training endeavor for the Native American communities in North Carolina is today seeking to reach all of the 575 Federally recognized and many not yet officially recognized native tribes and is serving men and women of all ages, locally and remotely, from diverse backgrounds, cultures, and ethnicity. Jesus said "Go, therefore, and make disciples of all the nations...teaching them to follow all that I have commanded you."

The diverse and highly qualified faculty and continuous development of services and educational opportunities at the LRCC provide for excellent future focused Christian education. The online platform and remote attendance opportunities are tailored to address a variety of interests from degree seeking ministry preparation to spiritual growth and personal enrichment at an affordable cost.

LRCC alumni constantly note that their studies at the college deepened their understanding of the Bible and impacted their lives powerfully. The view of the whole Scriptures, the deep dive into the content, and the discovery of its power within The Book has enriched, transformed, built, and encouraged countless students all of whom recommend the experience and training you can gain through LRCC.

The main campus has onsite men's and women's dorms, daily food service, and weekly scheduled chapel services with our students, faculty, and visiting speakers preaching and teaching. The campus is located in the Southeastern North Carolina, near to Lumberton, Fayetteville, and Fort Bragg military base. The campus is just 90 miles from the Atlantic coast, its beaches, and fishing.

To get more information on and to enroll at Lumbee River Christian College programs, click the Academics link under the main banner. All essential information can be found there. You are welcome to apply to be part of the Lumbee River Christian College!

Come and join the LRCC family!

With Blessings,

Esa Ontermaa

President
